

## **ESTABLISHMENT ACT OF THE SPANISH CLUSTER**

This document establishes the mutual agreement and cooperation between:

- from one side Gonzalo Piernavieja Izquierdo, as national leader of the cluster and from the other side
- the island authorities of Gran Canaria, Lanzarote, Fuerteventura, La Gomera, La Palma, Tenerife and El Hierro as advanced members (level 1),
- and the island authorities of Balearic Islands, as learning members (level 2),

of the Spanish cluster, which has been created in the framework of the SMILEGOV project.

The cluster leader through the SMILEGOV project agrees to:

- I. Provide capacity building and good examples from other European islands based on the cluster's needs
- II. Support local structures with the aim to achieve multilevel governance solutions and enhance the effective implementation of islands' sustainable energy action plans
- III. Provide guidance and training to islands that develop sustainable energy action plans and invite them to join the Pact of Islands
- IV. Promote penetration of high added value innovative technologies for islands
- V. Elaborate on sustainable energy projects with the aim to facilitate their implementation

The island-members of the cluster agree to:

- I. Participate in training and capacity building activities organized
- II. Share their experience in relation to multilevel governance and sustainable energy planning
- III. Initiate the island sustainable energy planning process
- IV. Consider joining the Pact of Islands by a political decision or by signing a certificate with the cluster leader in case of absence of a local authority
